Re: MUR 4516

Attention: Colleen T. Sealander, Esq., Central Enforcement Docket

Dear Ms. Sealander:

On October 30, 1996, on behalf of respondents DNC Services Corporation/Democratic National Committee and R. Scott Pastrick, as Treasurer, the DNC respectfully requested a fifteen (15) day extension to file a response to the complaint in the above-referenced MUR.

By this letter, we hereby request an additional fifteen (15) day extension to file such a response in this matter. While we have already assembled some of the information necessary to respond, preparing a complete response will require further information, including the gathering additional facts, as well as discussions and contact with persons involved in this matter. Due to an unexpectedly large amount of post-election activity, the large number of different committees and entities involved in this matter, as well as the lack of availability of certain persons essential to the preparation of our response, our office needs additional time to gather information and to interview the necessary persons.

If this extension request is granted, our response would be due on Tuesday, December 10, 1996.

Thank you for your time and attention to this request.

Sincerely yours,

Joseph E. Sandler, General Counsel
